

On behalf of Empowering Children Foundation, we would like to cordially invite you to attend and participate at the 19.National e-Conference on *"Child – Survivor of Crime"*.

The *"Child - Survivor of Crime"* conference is the largest interdisciplinary event in Poland focused on latest scientific findings or solutions in the area of helping abused children.

The event is organized annually (since 2004) by the Empowering Children Foundation, in cooperation with the Ministry of Justice. Since 2019, it has been co-financed by the Justice Fund, which is administered by the Minister of Justice.

This year the conference will be held as an ONLINE event from October 17th to 19th. Participation is free of charge.

This 2-day conference will feature theatrical performance and 14 sessions with a group of renowned domestic and foreign specialists in the field of Child Protection.
